- Accounts Payable (AP) and Accounts Receivable (AR)
- Bank Reconciliation and Vendor Reconciliation
- Financial Reporting and Month-End Closing
- VAT, Service Tax, and Tax Compliance
- Budgeting and Expense Control
- Journal Entries and Invoice Processing
- Payroll Accounting
- Petty Cash and Cash & Fund Management
- Internal Controls and Financial Accuracy

PROFESSIONAL EXPERIENCE

Executive – Accounts & Finance **June 2024 – Present**
TechnoNext Software Ltd. (A Concern of US-Bangla Group), Dhaka, Bangladesh

- Record and verify daily accounting entries, journal entries, and financial transactions in Tally Prime and Tally ERP 9, maintaining a complete and accurate General Ledger.
- Manage end-to-end Accounts Payable and Accounts Receivable cycles, including invoice verification, payment processing, and collection follow-up, to support healthy cash flow and timely settlements.
- Perform monthly bank reconciliations, identifying and resolving discrepancies between bank statements and accounting records to ensure ledger accuracy.
- Reconcile vendor accounts and follow up on outstanding balances and mismatches, strengthening vendor relationships and reducing unresolved payables.
- Administer petty cash and fund management, including expense documentation and periodic cash reconciliation, to enforce spending controls.
- Process monthly payroll and maintain related accounting records, ensuring accurate and timely salary disbursement.
- Prepare and file VAT and Service Tax documentation, including challans and returns, to maintain compliance with statutory requirements.
- Support budget preparation, monitoring, and expense control by tracking actuals against budgeted figures and flagging variances.
- Contribute to month-end closing and financial reporting, delivering accurate and timely data for management review.
- Coordinate with banks and internal departments on banking activities and accounting queries to keep operations running smoothly.
